POLICY:

Residents are provided with professional liability (malpractice) coverage throughout residency training, and the premiums are paid by the source of salary support.

SCOPE:

This policy applies to all residents training in the Valley Health Team, Inc. sponsored programs.

PURPOSE:

To ensure a consistent application of malpractice insurance coverage to Valley Health Team, Inc. residents.

PROCEDURE:

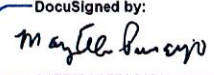

The residents of Valley Health Team's residency program(s) receive comprehensive medical malpractice insurance as an employee benefit. The insurance is provided through the Federal Tort Claims Act ("FTCA") and NorCal. Residents will receive malpractice insurance coverage on their first full day of employment with Valley Health Team.

This malpractice policy does not cover residents should they ever be doing work or providing clinical services outside of the activities of the residency program.
